COMRA Marine Rescue Association in the COMMUNITY

COMRA recently participated and helped with the City of Oshawa Canada Day Festivities at Lakeview Park, providing static boat tours of the COMRA at the pier in Oshawa, as well as assistance with fire works setup. The Photo below is of the COMRA tied up on the pier giving a tour to a young family.

During the event we also provided assistance to Durham Regional Police with 2 SAR calls - 1 being the successful rescue off the Bluff of Bonnie Brae Point, and another was a disabled vessel off the Beach of Oshawa.
